15. Dr. C.S. Karigar, Special Officer, Examination Branch, BUB.

In the Chair

At the outset, the Vice-Chancellor welcomed all the members for the meeting. He briefed that as per resolution of the Syndicate a Syndicate Sub-Committee was constituted with members of the Syndicate and Deans of Faculties to decide on the demands of applicants of Ph.D Course. The principals of Constituent Colleges, Special Officers and Prof. Sudesh, V have also been invited for the meeting. The representation submitted by the students with regard to Ph.D. admissions and copies of Ph.D. Regulations of 2016, Notification inviting application for admission to Ph.D course during the year 2019, UGC (minimum standards and procedure for award of M.Phil/Ph.D Degree) Regulations, 2016, UGC Regulations (1st amendment) 2018 were circulated among the members.

The Registrar (Evaluation) informed about the chronological events and dates from inviting applications for admission to Ph.D. course to conduct of 1st round of counselling for Ph.D. admission and representation of students.

11

Dr. Sudesh V also told that the decision to allow the students of P.G. courses for the entrance exam of Ph.D. course was a collective decision and relevant provision can be interpreted in either way. There is nothing illogical in allowing the final year students to write the Ph.D. entrance examination. Now, we have to look into the future aspects. Prof. H.N. Ramesh has quoted the Court order wherein the Hon'ble High Court has directed to consider the representation of final year M.Tech students who had taken Ph.D. entrance for admission to Ph.D. course.

All members unanimously opined to take necessary decision in the interest of students' community to resolve the matter by making harmonious/beneficial constructions of University Ph.D. Regulations and UGC Ph.D. Regulations.

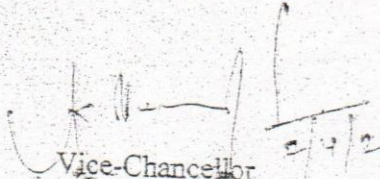

After detailed discussions, the Committee made the following recommendation on the representation of the Students:

1. The Committee recommends that a relaxation of 5% of marks (from 50% to 45%) shall be allowed for the candidates belonging to SC/ST/OBC (non-creamy layers)/Differently-abled category. The percentage of marks secured in their P.G examination and Entrance examination put together be taken while allowing 5% of relaxation as per Proviso to Clause 2 of UGC Notification F No. 1-1/2002(PS)Exempt(Pt.FI.III) Vol.II dated 27.8.2018, as a special admission drive.
2. Further, the Committee recommends to allow the teachers who are in service as on the date of Ph.D. Counselling and who have less than two years of service and willing to guide the students for Ph.D. are eligible to guide new Ph.D. students in the light of the delay caused in completion of Ph.D. Admission-2019 due to COVID-19 pandemic as they would have been eligible to take candidates had the Ph.D. admissions were completed on time. Accordingly, in the interest of students it was resolved to recommend for consideration of their eligibility to take candidates by exercising the powers of the Vice-Chancellor under Clause 26.3 of Ph.D. Regulations 2016.
3. The maximum number of students per guide shall be as per Ph.D. Regulation 2016/UGC Regulations-2016.

The above recommendation shall be placed before the Academic Council for its approval.

The meeting concluded with vote of thanks.
