The Component of Employability of students has been given due importance in the NEP-2020. Also the course outcome is an important aspect of CBCS Scheme of PG courses. In view of this, the Syllabus of UG and PG courses need to be restructured by including employability component. In addition, Skill Enhancement Courses/Subjects need to be introduced to give holistic approach.

Therefore, all the Chairpersons of the Board of Studies, both UG and PG, are hereby directed to convene the meetings of the Board of Studies at the earliest, before 15<sup>th</sup> February 2023 and to take action to include employability component i.e., attitude skills in the course curriculam of UG and PG courses. Suitable training/Workshop have to be organized for the concerned Teachers to teach the revised Syllabus/curriculum of employability component by taking the assistance from the Skill Development Department, Governement of Karnataka/Bangalore University.

Further, all the Chairpersons of the PG Departments are requested to furnish the details related to percentage of students of last two baches who have got employment.
